PRESIDENT'S REPORT

On behalf of South Melbourne Hellas Committee supporters and players we welcome the Committee and players of our visitors the Apia Leichhardt Bulls to todays round 3 encounter of the Coca Cola National Soccer League.

In the correspondence fixture last season Apia played part in a memorable day as Hellas commemorated Steve Blair Day celebrating Steve's 300th NSL appearance.

We wish to see an exciting game and with Apia coach Manfred Schaefer at the helm I'am sure we will see a very interesting game.

Regards
GEORGE VASILOPOULOS

ARTICLE ON HELLAS HISTORY (BOOK)

Many fans would've seen leaflets distributed at the ground detailing "The History of the South Melbourne Hellas Soccer Club". These leaflets are actually order forms to a new book covering the 32 year History and achievements of Hellas.

Many thanks are in order to author Petros Kosmopoulos who has put a lot of time and effort into making this book a success.

I urge all fans not just of Hellas but Australian Soccer fans in general to place an order and avoid the disappointment of missing out.

The book is available directly from the Club and to obtain details on how to get your copy contact **Marketing Manager BARRY HORSFALL ON 534 5462.**

Once again I urge you the people of Hellas to show your strength in numbers by ordering your own personal copy of this truly sensational book on **"THE HISTORY OF S. M. HELLAS".**

CLUB NEWS

As usual many things have happened at Hellas during the past fortnight but none more significant than that of Paul Fernandes and Joe Palatsides requesting to be placed on the transfer list citing lack of first team opportunities as reasons why. We wish them all the best in their attempt to enhance their senior careers.

On the plus side it is highly likely that we should be able to acquire Robert Csabai, a player recommended to coach Ruskas by another great and former team mate of Puskas at real Madrid Alfredo Di Stefano.

Csabai has been playing in Canada for the last few years but is keen to come to Australia and has agreed on terms with Hellas.

It is now a case of waiting for the internal red tape to clear from the Dept. of Immigration so Csabai's visa can be ready. Expect him inthe next month of so.

WHAT IS GOING ON?

What a start to the season it has been. A first up 5-1 Mavling of Preston followed by a loss to the new kids on the block Newcastle has made many a Hellas fan think twice before saying "back to back easy".

The Newcastle game was a complete disaster for South as we were forced to travel to New South Wales on the day of the game, being Friday and having a very limited preparation in the process.

The forces that may be at the N.S.L. offices should really think about the travel involved as players in this country are not professionals unfortunately.

Being forced to play the game on a Friday night means players have to take time off work which is bad enough in its self but when there are no planes available from Sydney to Newcastle and a 2½ hour bus trip has to be endured, players would be ready to hit the sack rather than go out and play a demanding N.S.L. fixture against a demanding and endeering outfit such as Newcastle.

Having to play a game which happened to be a Cup final two days earlier certainly does not make it easier, and you start to wonder why these sort of things are allowed to happen.

Today we have to face an Apia Leichhardt outfit looking for their first win of the season but with the fine form of our three T strike force in Paul Trimboli, Peter Tsolakis and Kimon Taliadoros we should be able to overcome a resilient Apia and record a sound victory.

Till next time.
